Dear Ricardo,

I am pleased to inform you that the San Diego Regional Minority Supplier Development Council has approved your recertification as a Minority Business Enterprise (MBE). Enclosed is your new certificate, which is valid through June 4, 2014.

In order to comply with NMSDC's policy and procedures, please be sure to renew at least 30 days before your current expiration date. If your certification expires, NMSDC will remove your company from the National database and the Corporate members will not have access to your profile. Your certification status will also change from Certified to Expired and you will need to start the certification process over as a new applicant.

Continuing to serve you as the premier business organization that links private sector corporations with minority businesses is our primary goal.

I look forward to your continued participation in our events and special programs.

Sincerely,
